Mercedes 280 SE, 1969

Mercedes 280 SE, 1969

LOCAL TOURS

Route 63 along the Tonle Sap River to Phnom Krom.
Arrive at Phnom Krom via Route 63 or via an alternative access road and circumnavigate Phnom Krom. Note the stone quarries at the base of the mountain. In the 1930s, a railway carried stone to the city for construction of colonial buildings.
NOTE: Climb the 145 steps to reach the temples on the top of the mountain. On the return leg enjoy a rest-stop at Wat Prin. Note the remains of a moat and the modern Wat built on ancient foundations. Ride along the modern road built over ancient way that connected Phnom Krom to Roluos. Return to the Hotel.

*Includes: a soft drink or fresh coconut per person.

***Half-day tour maximum 3 hours**
